THE HOUSE JOURNAL OF RSAOI BANGALORE

Jul 2019

### **From the Secretary`s Desk**

Dear Members, Rain Water Harvesting (RWH) is the need of the hour in Bengaluru in general and RSAOI in particular. RWH is the accumulation & storage of rain water for reuse on site. Please conserve water in RSAOI. This may be done in the judicious use of running water in the RSAOI washrooms and drinking water. On our part we have dug a few RWH pits to recharge ground water and the borewells. Runoff water is being blocked in catchment areas like Cricket Ground, B Ground and Drive Ways.

Speaking in the same vein, I also appeal to all Members, dependents and guests to help in keeping RSAOI clean and litter free. Do not throw tissue paper, paper cups etc in the bushes, flower beds on the side of roads. Use the nearest Bin. It will also help if you educate your drivers not to litter the parking and the flower beds. Cariappa Hall after Tambola is like a battle field. Tambola players are requested to be more sensitive to this issue. Use the nearest dust bin to place all the used tambola tickets, tissue, paper cups and plates. Don't wait for the waiters to clear the tables after Tambola. This is our Institute, let us keep it clean and be proud of RSAOI and be an envy of all visitors.

I also request the Members to use RSAOI Bar facilities judiciously. Do not bring office colleagues and civilian guests to the Bars. Army subsidised liquor is not authorized to civilians. We may come under scrutiny and lose the privilege. Allotment of liquor quota to RSAOI has been reduced. Therefore I solicit Members' cooperation in this regard.
